Available antiqued as Country Circle

*After ring number 10 an additional circle kit is required.
Circles with more than 10 rings require an additional circle kit.

Alternate shapes may be used as filler pieces if required.

EACH 10' 6" DIAMETER CIRCLE REQUIRES:

> 2 pcs center stone
> 8 pcs small w/angled top
> 8 pcs small w/curved top
> 203 pcs 3 qtr rectangle stone
> 237 pcs large tapered stone

Note: Only one circle can be made from each circle kit due to the number of stones supplied in the pallet. Packaging is subject to change without notice.
