COUNTRY CIRCLE

A Toscana, antiqued textured surface makes this circle the perfect landscape accent. With this kit you can create up to a 10¼’ circle using the 10 ring pattern or mix and match colors to enhance visual interest in your design.

paver-shield™ has a tight, smooth surface texture and will not expose heavy aggregate as it wears. Ultra-dense surface has more color and more protection. Nicolock has color from top to bottom throughout the paver ensuring a lifetime of beauty. Iron oxide pigments are guaranteed not to fade!
